[RUSH] MESSAGE: Foreign Priority: Applicant claims foreign priority from PCT/KR01/000977. Conditions have been met for foreign priority (usc 119a-d). Applicant also provided and claimed priority from Korean application 10-2000-0031721 which was filed within 1 year of the PCT but not within 1 year of U.S. filing. (CA)

If PCT is a foreign priority doc, can it "link up" the Korean doc?

[XRUSH] RESPONSE: No - priority only granted to PCT. The transmittal confusingly claims priority to both, but the Oath/Declaration properly only claims priority to the PCT. Bib. sheet updated.

thank you
